

Winning: Essentials for Achieving Career Success

Does your job suck the life out of you? Does going to work leave you feeling empty? Has your career stalled? When was the last time you received a promotion or significant pay increase? Do you dream about moving up the career ladder but don't know what to do or how to begin? Or maybe you're feeling a little overwhelmed because every time you take a step forward, you seem to be pushed back two steps. This book will enlighten you on how to: (1) Enhance your career prospects by developing your professional strengths and limitations. (2) Reignite your career passion and channel it in a manner that will have immediate short term benefits, and long term sustainability.
