

## Cloudfyre Falling: A Dark Fairy Tale

Cloudfyre holds a secret One that is killing millions. The warning signs have been there for centuries. In ancient cave paintings. On stone tablets. But they have gone unheeded. Now its too latemysterious shockwaves sweep across the world killing everything in their path. Strange monsters tear up anything left alive. There is one survivor. Gargaron the giant. His village has been annihilated. Everyone he knows has perished. With little more than the sword on his back and a pack of provisions, he sets off on a mission to unravel the mystery behind Cloudfyres demise. What he doesnt know is that time is already running out. And to find the answers he seeks, he must travel to the end of the world to find them.
