

## Yellow Ruffles Dress, Blue Jacket Set Crochet Pattern for American Girl Dolls

Everyone likes to dress up even dolls! This set features a lovely knee length dress with rows of ruffles along its hem, sleeve edge and neck. The jacket features 3/4 sleeves so the ruffles from the dress show through. Her matching Pill Box style hat and purse feature ruffles as well. Her matching boots feature a lovely yellow stripe that ties the entire outfit together. This is a pattern of my own design. You have my permission to sell anything you make from one of my patterns. You can not sell or give the pattern away. This pattern was made using Red Heart yarns and size H crochet hook. Snaps are used to fasten the dress. This pattern will fit an American Girl doll or like sized doll (Generations doll, Journey dolls, etc) At any time you can e-mail me if you have a question about this or any of my patterns.
