

8.6: Tropical Hazard (Numbers)

An idyllic island setting, too good to be true? Can Cassie find help on the wild east coast side? Will her hunt for help turn into a leap of faith for her heart? The island is being over-run by pirates, Cassie and her friend Janet take off to find help. There is a section that US Navy uses for training, but is anyone there? Taking the chance the girls ride off to find out. And what they find would make any girls heart go wild. 8 hunks, Navy Seals, training ... hang on for the ride.
