

Plunketts Food Industry Almanac 2016

The food industry is among the most competitive and globally-linked of all business sectors. Plunketts Food Industry Almanac will be your guide to the entire food business, from production, to distribution, to retailing. This exciting new book covers everything you need to know about the food, beverage and tobacco industry, including: Analysis of major trends and markets; historical statistics and tables; major food producers such as Kraft and Frito Lay; retailers of all types, from convenience store operators to giant supermarket chains; emerging technologies including genetically-engineered (GM) foods; giant distributors such as Sysco; beverage companies such as Coca-Cola; wine, liquor and beer producers; tobacco, candy and gum; and much more. We discuss trends in food commodities demand, agricultural biotechnology, imports and exports, as well as growing demand in China and other emerging markets. This book includes statistical tables, industry contacts and indexes. The corporate section includes our proprietary, in-depth profiles of 450 leading companies, public and private, in all facets of the industry. Purchasers will find a form in the book enabling them to register for 1-year, 1-seat online access to tools at Plunkett Research Online, including the ability to view the market research/industry trends section and industry statistics. You have access, at no additional charge, to the very latest data posted to Plunkett Research Online. Online tools allow you to search and view selected companies, and then export selected company contact data, including executive names. You'll find a complete overview, industry analysis and market research report in one superb, value-priced package.
