

A Dogs Five Essential Needs: The Five Things Your Dog Requires to Have a Healthy and Happy Life

Why does my dog act this way? How can I prevent my dog from behaving badly? What mistakes have I made as a dog owner? What does my dog need to be happy? If you've ever asked yourself any of these questions, *A Dog's Five Essential Needs* is the book for you. Whether you're planning to get a dog for the first time or you've been a dog owner for years, this easy-to-follow guide will teach you how to create balance in your pup's life, which is the necessary foundation for producing good behavior and building a healthy pet-owner relationship. Discover how vital your emotional, not just physical, presence is to your dog, and learn about the key role of prevention in behavior training. Offering both universal and specific insights, author and dog training expert Saro Boghozian not only explains why dogs need exercise, training, socialization, care, and affection on a daily basis but also presents a simple and proven plan for how you can satisfy these essential needs. Start developing healthier strategies today in order to ensure a better future for your dog.
