

## All About Dalmatians

Dalmatians are intelligent, attentive, athletic, and popular. McCoubrey, who know first-hand every aspect of the Dalmatian from temperament to working ability, provides detailed insight into the breed. Chapters include history, the Standard (complete with outstanding detailed illustrations), health issues, care, training, activities such as tracking, road trials, obedience trials, agility and more, Dalmatians around the world, training and breeding. This is a must read for anyone trying to decide if a Dal is right for them, as well as for new owners or breeders.
