

Anaras Calling (The Current of Magic Series Book 1)

The galaxies are at war. The alien race of the Moniog seem to have the upper hand over the Verdians, the keepers of the knowledge of the Current of Magic. A prophecy of old made by the grand Verdian clan of Thria is about to unfold that has the potential to change the fate of the war and the galaxies forever. Is Anara Thria the long awaited child that was prophesied by the ancient clan? Or will the Verdians finally succumb to Queen Thana of the Moniogs cruelty?
