

By the Rhythm of My Heart (The Stigma Annals Book 1)

The World of old is no more. The vast modern cities of the twenty-first century have been decimated by the worst natural calamity in the history of mankind The Brimstone. What was once green and verdant is now covered by ash, radioactive clouds and a lethal disease that threatens the livelihood of every surviving soul. Outcast and alone, Matteo must find a way to stay alive when everything around him wants him dead. What he discovers will forever change him and return to his heart what hes forgotten how to feel. Love.
