

Ascension (Sabrina Strong Series) (Volume 1)

Left penniless after the death of her father, Sabrina Strong isn't thrilled at the prospect of working for the North American Vampire Association. Driven by accumulating bills, and a secret desire to discover the identity of the mysterious figure haunting her dreams, Sabrina is attacked on her way to the interview. Her life is narrowly saved by a passing vampire one whom is strangely familiar. Could he be the one that turned her mother and marked Sabrina as his own so long ago? But Sabrina's concerns are pushed aside after being hired to investigate the murder of Letitia, lover of Vampire Master, Bjorn Tremayne. Sabrina is quickly immersed in dangerous trusts as the North American Vampire Association comes under threat of those who seek to satiate their own greedy desires. The first book in Lorelei Bell's Sabrina Strong series, Ascension is an urban fantasy full of longing, heartache, and passion.
