

Il Guardiano (The Tube Exposed) (Italian Edition)

RACCONTO LUNGO (41 pagine) - ZOMBIE - Terrorizzato dal messaggio trasmesso alla radio su un imminente contagio, Oras decide di rinchiudersi in un bunker, ma quando esce per scoprire che cosa accade in superficie, realizza che l'unico luogo sicuro è quello che ha appena lasciato... Sconfitto dalla solitudine che si è imposto rifugiandosi all'interno di un bunker, Oras esce per scoprire se il temuto contagio di cui hanno parlato alla radio sia reale o un sotterfugio del Governo per celare un attacco alieno. All'esterno il clima surreale lo avvolge allistante, soffocandolo. Scoperta la reale sorte toccata alle persone del vicinato, trasformate in zombie, si rende conto che non vuole restare solo, non può farlo, soccomberebbe. Il mondo è cambiato, le leggi che lo governano sono guidate da istinto e violenza. Solo il Guardiano, di cui ancora non ha scoperto il segreto, sembra rappresentare l'unica speranza di sopravvivenza. Michela Pierpaoli, marchigiana, classe 1973. Dopo aver frequentato un corso di scrittura tenuto da Franco Forte si è dedicata con entusiasmo a questa sua grande passione. Nel 2014 ha pubblicato, per la collana Chew-9: LOIree Baras III. Per The Tube il settimo capitolo intitolato Legame di sangue per The Tube 2, nel 2015, il sesto capitolo intitolato Discesa all'inferno. Per la collana Delos Crime il primo caso dei gemelli Slic. Altri racconti pubblicati in diverse antologie 365, Racconti di Natale (2013) e Racconti d'estate (2014), intitolati rispettivamente: Odio il Natale e Sognando l'Egitto, editi da Delos Books.
