

Sonic X #24

by Flynn, Yardley, and Austin Camera Hog: Sonic, Knuckles, Amy and Tails give an entertaining and astonishing demonstration of their amazing abilities on Station Square TV, Eggman is watching! A mysterious new robot he has created downloads all of their abilities, along with a few extra talents it witnesses. Of course, Eggman plans to send the souped-up robot out to destroy our star-struck heroes. Can Knothole Villages media darlings possibly defeat an enemy that does all they can do and more?
