

Babys Diagonal Aran Afghans

See your crochet from a different angle - and reap the rewards of making these gorgeous baby afghans! Traditional Aran stitches run diagonally across the designs as you work corner-to-corner. You'll have fun making beautiful crocheted fabric, and a precious little one will have the joy of discovering the soft textures. And of course, these sweet blankets are the best gifts you can give a new mom! The four designs by Becky Stevens are all for Intermediate skill level, made using medium weight yarn: Blackberries and Crosses, Moss Stitch and Cables, Chevrons and Diamonds, and Popcorn Diamonds. BONUS: Online technique videos.
