

Accountancy: AIB Textbook (Banking and Finance Series)

The Banking and Finance Series has been written for students who are preparing for the Associateship of the Institute of Bankers. The structure of the series follows the syllabus closely. Although the emphasis is on the Institute of Bankers examinations the series is also relevant to students for other professional examinations such as the different Accountancy Bodies, Chartered Secretaries, Diploma in Public Administration, undergraduate business courses, BTEC, BEC, HND, DMS, Stock Exchange courses, Association of Corporate Treasurers, Institute of Freight Forwarders, Institute of Export. May 1985

Brian Kettell Series Editor xi This book is dedicated by Roger Bryant to his mother

Acknowledgements The author is indebted to the following for permission to reproduce previously published material:

The Chartered Association of Certified Accountants for reproduction of past examination papers and material from articles by the author which first appeared in The Student Newsletter. The Centre for Interfirm Comparisons for reproduction of the pyramid in Chapter 9. The Institute of Chartered Accountants in England and Wales for reproduction of Accounting Standards and material which first appeared in continuing professional education courses, of which the present author was Joint Technical Author. The Institute of Bankers for reproduction of past examination papers, and material from articles by the author which first appeared in The Journal of the Institute of Bankers. He is also grateful to John Argenti for permission to summarise in Chapter 14 sections of his book Corporate Collapse: Causes and Symptoms
