

Bearded Collies. The Ultimate Bearded Collie Dog Manual. Bearded Collie book for care, costs, feeding, grooming, health and training.

The Ultimate Bearded Collie Dog Manual has the answers you need when researching this energetic working breed that is the consummate shepherds companion. Learn about the shaggy coated Bearded Collie and find out whether or not this intelligent canine will be the best choice for you and your family. Learn everything there is to know, including little known facts and secrets and how to care for every aspect of the Bearded Collies life. This manual contains all the information you need, from birth to the Rainbow Bridge, including transitioning through house breaking, care, feeding, training and end of life, so that you can make a well-informed decision about whether or not the Bearded Collie is the breed for you. If you already have a Bearded Collie, this book will teach you everything you need to know to make your dog a happy dog and to make you a happy dog owner. The author George Hoppendale is an experienced writer and a true animal lover. He enjoys writing animal books and advising others how to take care of their animals to give them a happy home. Co-Author Asia Moore is a professional Dog Whisperer, Cynologist and Author, living on Vancouver Island, off the west coast of British Columbia, in Canada, who believes that all humans and dogs can live together in harmony. She and her dog whispering team, which includes an 8-year-old Shih Tzu named Boris, teach dog psychology to humans, to help alleviate problem behaviors that arise between humans and their canine counterparts so that everyone can live a happy and stress-free life together. Covered in this book: - Temperament - Vital statistics - Before you buy - Choosing the right dog - Health - Daily care - Feeding - House training - Medical care & safety - Grooming - Training - Poisonous Foods & Plants - Caring for your aging dog ... and much more.
