

Blood Chronicles Vol. 1 Blood is Slicker: A Saints of Fae series (Volume 1)

Paige is a powerful Empath that has been raised in complete isolation for 17 years after a vampire has killed her father. Now on the morning of her birthday, she learns that there is a prophecy that foretells her death within the year. Suddenly she is being shipped off to a mysterious school with other students that possess special powers. Paige is overwhelmed and fighting to find the prophecy and save her life. Enter Gossimer Saint James, the mysterious Vampyre that lives as a slave in the school. Paige is terrified of him, but he vows to find the prophecy and protect her life. Now Paige is stuck between her lifelong fear of Vampyres and the idea that one just might be the only person to save her life. However, can she trust Gossimer or is he leading her closer to death?
