

Blue Sunrise

Blue Sunrise is a richly woven tale of a drug addict dealing with his inner demons, a Mars expedition unaware of unknown perils, and an alien race trying to save itself from total annihilation. An engrossing well thought out plot with twist and turns that will lead the reader on an unexpected journey. This book has superb character development and you will find it hard to put down. Blue Sunrise is a phenomenal masterpiece that is splendidly written. It is a future classic worthy of being read, reread and savored.
