

The Puzzle of the Talking Dinosaur (Myke Phoenix Book 2)

The annual Astor City Philanthropists Ball was bustling with happy people until the giant spider started spitting fire at everyone. And then there were the alien visitors who crash-landed outside town and then Quincy Quackenbos got out of prison. It was a crazy few months for Myke Phoenix, the city's superhero protector. This collection of superhero action with a smooth layer of whimsy includes Firespiders, Invasion of the Body Borrowers, Night of the Superstorm, Duck Man Walking, and Puzzle of the Talking Dinosaur.
