

## The Home Problem Solver

What should you do when insulated windows fog up? Why is the refrigerator making a buzzing sound? Who do you call when the floors sag? How difficult is it to eliminate moisture in the basement? From what to look for before buying a house to how to repair basic system glitches and plan cosmetic makeovers, *The Home Problem Solver* is the complete source of essential information for every homeowner. Easy-to-use, clearly illustrated, and designed for solving problems quickly and effectively, *The Home Problem Solver* helps readers pinpoint the sources of common home problems, determine the easiest remedies, and take appropriate action.
