

Hope For An Era: Aldaria Chronicles

Join Lady Aniya and Lord Arajuan on an epic journey where they discover who they are and their destiny . The empire is corrupt and Aniya is chosen by the council to form an army against Emperor Gorik. Before she could ever build her army she already finds she has enemies, Rasit hunts the young princess and Prince Arajuan, has already attempted to kill her or so she thinks... Lord Arajuan, a privileged prince, is more complicated than some would assume. After he rescues a dragons egg he knows he has made a grave error and his time serving Gorik as a prince is near its end. He watches the dragon princess grows. He must kill her or suffer the consequences...
