

## CARIBBEAN CONFUSION (Harlequin comics)

These past two years have been exceptionally hard on Annabel. Try as she might, she's been unable to overcome the heartbreak of her first love. Ready to start anew in some place far away from all the leftover traces of her ex, Annabel jumps at the opportunity to become a governess in Barbados. Unfortunately, fate has a cruel sense of humor. Her new employer is none other than Hugh Grey, the man who broke her heart.
