

Colour in Corrine (The Plains of Elden)

The Lady of Death stalks the streets of Corrine. A gripping novella from The Plains of Elden series. In Corrine, the Weepers mourn the dead. They shed tears where no one else will, everywhere. In their separation as freaks of a tradition long passed, they are mistaken as much for harbringers of death, as those who cry over it. Their jobs are about to get a whole lot busier.
