

This Magazine Is Haunted #15: Vintage Comic Horror - All Stories - No Ads

When Fawcett Comics sold off its line (after disappointing sales and a devastating lawsuit), Charlton picked up THIS MAGAZINE IS HAUNTED. They continued to bring readers the scary, spooky, strange tales through another 12 issues beginning in 1954 and coming back after a two-year hiatus. The style of the Charlton series is decidedly different from the earlier incarnation, but both are excellent. The Charlton series contains a lot of work by that master workhorse of the era, Steve Ditko. --- 12 more individual Issues --- Parts 5-7 in the Collection --- All together in Classic Comics Library #152 !
