

## Counted Cross Stitch Pattern: The Elm Tree Fairy by Cicely Mary Barker, PROFESSIONALLY EDITED Fairies: Flower Fairies (The Flower Fairy Series)

The Elm Tree Fairy by Cicely Mary Barker is one of the famous Flower Fairies and is now available as a counted cross stitch pattern. Ms. Barker began drawing the fairies approximately 100 years ago and now many of the prints are regrettably dull, streaked, lifeless and even stained. So our staff graphics designer spent many, many hours working on our designs, bringing them back to life with rich, vibrant colors. We can only post one picture with our Kindle book but we sell a collection of 116 flower fairies and we have posted Before/After images there. See for yourself how beautiful the fairies are now [ASIN: B01CO73XO6] NUMBER OF COLORS: 12 NUMBER OF STITCHES: 141 squares wide by 200 squares high. All patterns are for DMC floss. Enlarge Our Pattern You don't have to worry about size with our patterns! It's sometimes tough to see your pattern on a Kindle or tablet so we have made it possible to make your charts as LARGE as you wish - see our patterns on a 21 computer monitor and a 48 TV screen. No more squinting and straining at a tiny screen. 116 Flower Fairy Collection If you love the fairies like we do, you might be interested in our collection of 116 patterns, which includes a list of all our fairy patterns.
