

Country Cross Stitch Favorites Of Rita Weiss (3502)

These cross stitch patterns will remind one of a simpler time. Country boys and country girls, Amish scenes, hearts, geese, La Poulet and Le Chanticleer, and a sampler all remind us of the joys of slowing down and taking the time to do a favorite craft. Portions of the designs can also be used for embellishment of table linens, tea towels, t-shirts and sweatshirts, pillows, gift bags, jar lids, Christmas ornaments and more! All designs are suitable for cross stitching on Aida cloth or even weave fabrics; patterns can be adapted to needle point, as well.
