

Haunted Thrills #11: Classic Horror Comics -- All Stories -- No Ads

STORIES FROM HAUNTED THRILLS COMICS AJAX-FARRELL 1952-1954 The thrill of horror is it what makes us human, or is it crazy? We love to be scared, and in the 1950s the horror comic ruled the newsstands! Witches, ghosts, monsters, and the undead we fear them and we love them. In this giant collection we bring you a great assortment of stories from HAUNTED THRILLS! These books are reprinted from the best available images. Sometimes the early and rarer books reflect the age and the condition of the originals. Our books are NOT digitally remastered; they are taken from scans of actual comics. Many people enjoy these authentic characteristics. If you are not entirely happy, please contact us for exchange or refund at any time!
