

## Susans Flower Crochet Collection # 1

This set of ten crocheted flower patterns will give you lots of ideas for appliques, hair clips, fashion accessories, and home decor items! For a bouquet of flowery inspiration, make these little beauties in bright cotton yarns. You'll need medium weight yarns and a size F and H aluminum crochet hook (5.0 mm and 3.75 mm). You'll also need to be familiar with these stitches: chain stitch, slip stitch, single crochet, double crochet, and triple crochet. The Kindle book has 26 pages, with lots of photos, a key to abbreviations, materials notes, and, of course, the crochet instructions themselves.
