

Cunning Dress Easily Crocheted Toddler Size 9 to 18 Months Crochet Pattern

When the young toddler from nine to eighteen months starts on her initial tour of discovery she will have to have some serviceable dresses that can stand wear and tear. Crocheted garments are the logical choice for those good looking and durable items contained in the wardrobes of every well dressed baby. The dainty garment illustrated today is a simple crochet job for either the experienced or the novice needleworker. The shell stitch in the body of the dress is easy to do, and in contrast the yoke is nothing more difficult than double crochet. The material used may be knitting and crochet cotton, either in the chalky or lustrous finish, crepe, vicuna, or Shetland wool. MATERIALS: 2 balls Shetland 1 ball Shetland contrasting color 1 steel crochet hook No. 52 ? yards narrow blue ribbon
