

Jane (Three Jamigos Book 2)

Jane & Jade are chasing the Devil around the world. That's probably not the smartest thing to do and when the hunters become the hunted, the action really gets rocking, leading to a non-stop thrill ride of a road trip. Vampires and Shifters, Angels and Demons, throw in a giant troll and some witches and you've got a paranormal war. That doesn't leave much time for romance but there is a wedding, and a funeral, and both are ones you don't want to miss. Take a ride with Jane & Jade!
