

The Eyes of the Heart: First of The Eyes Novels (Volume 1)

A young woman suffers the unexpected and unexplained tragic death of her mother. With her mother's mysterious death preventing closure, she travels to her mother's place of death to get some answers. However, what she encounters is much more than she could ever have expected in a whirl-wind of events taking her on an emotional and spiritual roller-coaster. Everything she had come to know as a certainty in her life is tested, as truth turns into lies; and lies rise up into the light of truth.
