

Dragon Drive: Prototype

Crios is a not-so-ordinary employee in his uncles ordinary repair shop. When one day a couple of guild members show up, word gets out about his amazing skills. In no time the shut in Crios makes friends and heads out into the world, trying to prove how extraordinary he really is. Although soon he finds out that he is who he is for a reason, and hes part of a much greater plot all revolving around him and his guild, Dragons Den. Book One of Five.
