Author: Tom Gallier was born in Beaumont, Texas, to Texan/Cajun parents. He served 7 years in an Armored Cavalry Regiment (11th ACR Blackhorse Regiment), learning no useful skills. After the Army he went back to school to study electronics, figuring that would be a profession with job security. In 2008 he was laid off. It wasn't the first time or last time he was wrong. But while in school, and holding down a full time job, he began writing in his spare time. In the mid-nineties he had his first short story sale and publication. He shares his life with his wife and their Yorkie American Princess. He writes Fantasy short stories and novels under Tom Gallier and Urban Fantasy under TW Gallier.
