

Dimension Quest (The Quest Series Book 12)

The Protectors of the Land have been torn from each other, forced to go back to the Dimension of their birth. No one could have foreseen the drastic repercussions of this act on the Protectors, their loved ones, and the Grid. Desperate and ill, the Protectors vow to turn their back on the Land and the constant struggle against Evil in order to live with one another again. Yet finding a way to pierce the dimensions, bring their group back together again, and evade the notice of the Grid Managers is a daunting task. One, it turns out, the Protectors are more than up to managing.
