

Everything You Need to Know About House Training Puppies and Adult Dogs

Whether you have a puppy who is first learning, an adult dog with ongoing confusion, or simply want to teach your dog to use a designated bathroom area, this book answers literally every housebreaking question! Presented in a conversational tone with an occasional bit of humor, Verni-Fogarsi provides an in-depth understanding of how dogs think and teaches the reader how to build off of and develop dogs instincts to keep their home clean. From the very basics to more detailed problem solving, every dog person can benefit from this book... from the first time puppy owner to rescue volunteers and even pet professionals. Well organized with a very detailed table of contents that makes future reference a snap! Without a doubt, housebreaking your dog or puppy is an issue that is of top priority to every dog owner. Pets can be a very enjoyable part of life, but not as much if your carpets, furniture or other items are being ruined! Of course, all puppies require house training. But there are also many adult dogs with housebreaking issues too. This book thoroughly addresses every aspect of house training for both puppies and adult dogs, so you can prevent or alleviate problems. With realistic methods adaptable to any lifestyle, sample schedules, charts, and answers to all of your questions, you can enjoy a trustworthy pet within 30 days or less! One of the most widely acclaimed books in its genre, recommended by pet professionals since 2005, this updated and revised version is a must-have for every dog lovers library!
