

# Psychology Essays and Practicals: A Guide for Students

This text is designed to help students tackle A level and A/S level examinations in psychology. It aims to provide students with the help they need to pass psychology examinations and also helps students to tackle both coursework and text essays. It is intended to help students develop the skills to cope successfully with psychology practicals - choosing, planning, executing and writing them. The text also offers help to students in using statistics and contains a number of annotated, sample essays. It is suitable for students studying Psychology at GCSE, A/S and A level in schools and Colleges of Further Education.
