

Financial Accounting, Global Edition

Understanding financial accounting as the language of business. Once students see that accounting is the language of business, they are on their way to academic and professional success. Financial Accounting, Third Edition translates the essentials of accounting to students so they understand why and when financially sound decisions are made in business today. Teaching and Learning Experience This program presents a better teaching and learning experience for you and your students. With Financial Accounting, Third Edition you will, Personalize learning with MyAccountingLab: MyAccountingLab provides instructors with a rich and flexible set of course materials, along with course-management tools that make it easy to deliver all or a portion of your course online. Use a text with strong pedagogy tools to create a clear learning path: Students are able to acquire, understand, and retain important information by completing exercises, learning key terms, participating in discussion questions, following critical thinking activities and more. Present fundamental accounting principles by using current real-world examples: Up-to-date information prepares students for working in their field. Illustrate tough concepts using visuals: The text presents the connection between accounting equations and big picture concepts by using striking visuals. Please note that the product you are purchasing does not include MyAccountingLab. MyAccountingLabJoin over 11 million students benefiting from Pearson MyLabs. This title can be supported by MyAccountingLab, an online homework and tutorial system designed to test and build your understanding. Would you like to use the power of MyAccountingLab to accelerate your learning? You need both an access card and a course ID to access MyAccountingLab. These are the steps you

need to take:1. Make sure that your lecturer is already using the system Ask your lecturer before purchasing a MyLab product as you will need a course ID from them before you can gain access to the system.2. Check whether an access card has been included with the book at a reduced cost If it has, it will be on the inside back cover of the book.3. If you have a course ID but no access code, you can benefit from MyAccountingLab at a reduced price by purchasing a pack containing a copy of the book and an access code for MyAccountingLab (ISBN: 9781292019734)4. If your lecturer is using the MyLab and you would like to purchase the product...Go to www.myaccountinglab.com to buy access to this interactive study programme.For educator access, contact your Pearson representative.
