

Finding Gideon (Tamarei)

Laurel is a prostitute, tied to a mistress she hates and desperate to escape the misery of her life. She sees no way out, until a stranger, Misha, arrives at the inn and offers her a means of escape. The only problem is that Misha seems intent on causing her even more misery. When the inn mysteriously burns down and Misha is blamed, Laurel is forced to flee for her life from murderous pursuers, following him into the unknown in the hope of finding him and her destiny. *** Contains explicit sex scenes, including same gender sex. ***
