

## Lemon Lace Baby Dress and Matching Jacket Crochet Pattern

The dress features a cute round collar with delicate lace along its edge. The same lace is found at the dress hem and on the jacket.

The dress opens in back and will fasten with snaps. The jacket is front opening with long sleeves and lace down its center opening and across the hem. The jacket is designed to close in the front with the aid of snaps. The dress and jacket set comes with the instructions to make 3 sizes: 12 month, 18 month and 24 month baby sizes. Both items were crocheted with a large J size hook to keep the outfit light and airy. Made using Bernat Baby Sport Yarns. You will also need needle to take yarn, small snaps, sewing needle and sewing thread. This is a pattern of my own design. Any item you make from one of my patterns you may sell. You can not sell or give the pattern away.
