

## Ski Cap / Beanie Crochet Pattern for Children 3 - 10 Years Old

The crocheted hat / ski cap / beanie in this pattern has easy to read and follow instructions and uses less than 4 ounces of Acrylic (or Acrylic blends) yarns in Category 4, 4-ply worsted weight that recommend use of a US I/9 or 5.5 mm crochet hook. Difficulty level is Easy to Intermediate. The pattern for this hat / ski cap for children 3 - 10 years of age makes a hat approximately 8" - 8" in height/length and 18" - 18" in circumference/width (unstretched) and should fit most children who have head circumferences of between 19" - 20". The hat / cap edge can be folded up to make a narrow or a deep brim to fit the depth of the child's head. The hat size in this pattern is approximate - not exact - because it is based on the average head circumferences of children of these ages. Head size varies from child to child the same as it varies from adult to adult, and some young one is sure to benefit from wearing this hat. This hat / ski cap is made using Single Crochet stitches, and it is an ideal item to crochet and donate to hospital special care children's units, to charities and to use as a gift.
