

French Bulldogs

French Bulldogs The French Bulldog enjoys a brief romp outdoors, but its minimal exercise needs also makes it a good companion for older pet owners and apartment dwellers. Heavily illustrated with vivid color photos and instructive line art, Barron's Complete Pet Owners Manuals show and inform pet owners regarding proper care of dogs, cats, birds, fish, reptiles, amphibians, small caged animals--virtually every creature that is kept as a pet. The books give advice on purchasing and otherwise acquiring a pet, feeding it nutritiously, keeping it in good health, and where applicable, grooming and training it. Each book in this large series is individually written by a specialist, and though the information is authoritative, the text is clear and straightforward, easy for every pet owner to understand.
