

Zeraphs Path: Life on Phobos (Volume 1)

Its 2013 and theres trouble brewing in the Terran Alliance. In ninety years humans have colonized over a dozen worlds and built numerous outposts within a few hundred light years of Earth. Most of the settlements have fallen under the sway of the central government, but the winds of discontent are becoming a storm. Commander Lightholder is a seasoned space veteran with a checkered past. In the midst of the turmoil hes given command of an untested ship and a mostly inexperienced crew. Theyre thrown together and rushed into service. Their mission to combat dangerous smugglers quickly becomes much more complicated. A successful mission will take more than everyone on the ship giving their best. It will take a miracle...
