

# Fundamental Cornerstones of Managerial Accounting

FUNDAMENTAL CORNERSTONES OF MANAGERIAL ACCOUNTING helps students master the essential managerial accounting calculations with innovative Cornerstones pedagogy. The Cornerstones provide students with a consistent organizational framework to help them grasp and apply management accounting theory. This learning system has been carefully researched and class-tested to promote efficiency and greater comprehension. The authors also teamed up with Stillwater Designs, a car speaker company that makes Kicker car speakers, to provide access to real financial information and to demonstrate managerial accounting in action.
