

New Charity Blues

In the wake of a devastating plague, two communities emerge as bastions of survival. One is called the City, and its people scabble for scraps in the wasteland. The other, New Charity, enjoys the bounty of its hydroelectric dam and refuses City denizens so much as a drop of precious water. When City-dweller Cressyda inherits her fathers ranch within New Charity, she becomes intent on opening the dam to all?no matter the cost. But when Syd reunites with her old best friend, Casandra, a born seer and religious acolyte, she realizes that her plans could destroy the fragile lives theyve built in order to survive. Whats more, the strange magic securing the dams operations could prove deadly if disturbed. Yet when Syd discovers evidence that her father might have been murdered, she is more determined than ever to exact revenge on New Charitys corrupt. Pitted against Cas, as well as her own family, Syd must decide how to secure the survival of both settlements without tipping them over the brink to utter annihilation. In this intense and emotional reimagining of the Trojan War epic, two women clash when loyalty, identity, community, and family are all put to the ultimate test.
