

Global Frequency: Planet Ablaze

From Warren Ellis, the creative dynamo behind such acclaimed titles as Transmetropolitan and The Authority, comes volume one in a stunning new Titan graphic novel series! Global Frequency is a latticework of 1001 scientists, soldiers and specialists in every field imaginable, woven into a net to stop every terrorist with a nuke, government weapons programme gone rogue or alien computer virus. Seeing, hearing, touching and battling all evil, it is Mankind's collective consciousness and immune system. Drawn by a dream team of amazing artists, Global Frequency is the all-knowing, all-powerful blanket to smother our darkest fears and worst nightmares!
