

Guia No.8- Oso 3D Terciopelo (Filigrana Guias Paso a Paso) (Spanish Edition)

El encanto de la tecnica de Filigrana (quilling) con papel consiste en que siempre podemos aportar nuevas ideas y tecnicas. En esta oportunidad enseñamos a realizar un Oso en 3d y luego convertirlo en un hermoso muneco de terciopelo. Con el podra decorar tarjetas, cajas para regalo, empaques, recordatorios de fiestas, ademas puede elaborarlos en diferentes colores. Esperamos que disfrute este proyecto.
