

## Rescued by the Brooding Tycoon (Mills & Boon comics)

Despite the frustration of a failed business venture, cool and in-control entrepreneur Darius Falcon manages to seal the deal with an exquisite natural island basking in the sun. There, on what should have been the worst day of both his professional and personal life, Darius meets a volunteer from a search and rescue unit named Harriet. He begins to feel happier than he has in years and the elevated mood the island has put him in encourages him to take a chance and ask her to be his girlfriend. Harriet gladly accepts, but finds herself deeply implicated in convoluted Falcon family circumstances. It's a modern Cinderella story!
