

Healer of Surfle

Kerlia has fought to survive even before she was born because of the prophecy a child will destroy Kernels evil hold over the Kingdom of Surfle and heal the Kingdom. Kernels minions search for the healer as his wizards strive to design the ultimate weapon to end the resistance and bring the Kingdom completely under Kernels control. They have destroyed Kerlias mother at her birth and are closing in on where her father, Terian, has hidden her. They all most succeed in Kerlias capture in the forest however she escapes only to be transported to the fairy realm. Under the guidance of the pixies, faires, and militant brownies Kerlia must learn how to control her healing powers to protect those she loves from Kernel. Can a mere child stand against Kernels evil that has brought so many men to their knees?
