

## Lost Souls: FOUND! Inspiring Stories About Dogs Vol. III

Like Volumes I and II, Lost Souls: FOUND! Inspiring Stories About Dogs, Vol. III is full of fantastic, heartwarming stories about dogs who have been rescued and adopted. While a wide variety of stories are included, this book has a special focus on older dogs, herding-type dogs, and northern-type dogs. Excerpt: While searching Petfinder.com in May, I found what I considered to be a treasure: Snowy, a deaf, blind, three-year-old, double-merle Sheltie. She was residing in a shelter in Missouri, half a continent away from our home in Pennsylvania, but, despite the distance, I knew she was meant to become a member of our family. I contacted the shelter, only to find out that I was too late. Snowy was being adopted by someone who lived in can you believe it Pennsylvania! Hmm, what were the odds of that? In August, I was still thinking about Snowy when I received an email from Northern Chesapeake Sheltie Rescue (NCSR) about two double-merle Shelties they had recently taken in. I did not think much about it until, later that week, I saw a post on the NCSR email list asking a question about a blind, deaf female double merle. I brushed aside the stray papers to find the picture of Snowy. My eyes went immediately to her face. Could it be? -Debbie Bauer Read more about Treasure and other wonderful rescued dogs inside!
