

## Wolf Battle and the Hidden World

Can the human race be saved from total extinction by a schizophrenic clone tormented with memories of the life of a man who was a hero to some and a traitor to others? Burned and dying, the last hope for mankind agreed to be cloned but cloning had a very bad history. Would he save mankind or destroy it? At eight years of age, the young clone possessed the knowledge to annihilate worlds and a burning passion for the woman he could never have. Stranded on a planet that was hidden and invisible, Wolf Battle and his group of young survivors, must overcome dangers and seek out the beings of this bizarre world before it is too late to stop the An-Ura from wiping out the Earth. But are the An-Ura our greatest threat?
