

Everyday Joy: Or, How To Be Happier And Healthier, And Party All The Time

Everyday Joy is a must-read for anyone who's contemplated life's contemplables -- bestselling author Paul Jarvis. Wouldn't it be nice to experience greater joy in everyday life? Wouldn't it feel liberating to be able to transcend painful experiences?

Wouldn't it feel great to be a more appreciative, and happier person, and help the people you love grow happier too? Jam-packed with practical exercises, and hard-won lessons from the author's life, *Everyday Joy* was written for anyone who wants to experience greater happiness, joy, and fulfillment each and every day of their life. But this is not your typical self-help book. In a series of short, to-the-point articles, author Zachary Stockill tackles subjects like drugs, death, and desire with great humor and sensitivity, all the while offering no-nonsense suggestions and perspectives on growing into a happier, healthier human being. Part self-help, part intimate-memoir, *Everyday Joy* offers a radical re-interpretation of the idea of partying, and shows how you can, in fact, choose to party every day of your life. If you are someone who wants to be happier, more peaceful, and more open to experiencing real joy in each and every moment, this book was written for you.

PRAISE FOR EVERYDAY JOY: A must-read for anyone who's contemplated life's contemplables... *Everyday Joy* offers an interesting and inspirational new look at the human condition. --Paul Jarvis, bestselling author of *Everything I Know*
Simply put: *Everyday Joy* belongs on your bookshelf, sandwiched between Alan Watts and Tom Robbins... A perfect cocktail mixing clarity, humor, and deep insight that goes down smooth. --Zach Obront, blogger and entrepreneur

Everyday Joy showed me just how much being stuck in the stresses of my to-do list was getting in the way of a fulfilled life, and inspired me to stop, look up into the world, and breathe again. --Matthew

Newton, founder of TourTiger.com, and co-host of Web Agency Podcast Everyday Joy is great... Very fun and enjoyable read! --Joshua Waldman, author of Job Searching with Social Media for Dummies
